Catherine Cortez Masto

Abortion on Demand

Joe Heck is pro-life. He opposes abortion on demand, and supports protection for unborn children.

Catherine Cortez Masto supports a policy of abortion on demand, which allows abortion for any reason.

Joe Heck voted to pass the Pain-Capable Unborn Child Protection Act (H.R. 36), legislation to protect unborn children who can feel pain by prohibiting abortion at 20 weeks, a point by which the unborn child is capable of experiencing great pain when being killed by dismemberment or other late abortion methods.

Taxpayer Funding for Abortion

Joe Heck voted to pass the No Taxpayer Funding for Abortion Act (H.R. 7), to establish a permanent policy against funding abortions and health plans that cover abortions, consistent with the principles of the Hyde Amendment, for all federal programs.

Catherine Cortez Masto supports using tax dollars to pay for abortion.

Government Funding for Abortion Providers

Joe Heck voted for passage of a budget reconciliation bill (H.R. 3762) that would defund Planned Parenthood, the nation's largest abortion provider.

Catherine Cortez Masto supports providing government funds to abortion providers.

Obamacare Health Care Law

Joe Heck voted to repeal the Obamacare law, which provides government funding for insurance plans that pay for abortion on demand, and imposes rationing of lifesaving medical care. He is committed to reversing the abortion-expanding and rationing effects of that law.

Catherine Cortez Masto supports Obamacare, which provides government funding for insurance plans that pay for abortion on demand, and imposes rationing of lifesaving medical care. As Nevada's attorney general, she refused to file suit challenging the constitutionality of Obamacare.
