Where Do the Candidates Stand on Life?

Pat Toomey

Katie McGinty

Abortion on Demand

Pat Toomey is pro-life. He opposes abortion on demand, and supports protection for unborn children.

Katie McGinty supports a policy of abortion on demand, which allows abortion for any reason.

Pat Toomey co-sponsored and voted to advance the Pain-Capable Unborn Child Protection Act (H.R. 36), legislation to protect unborn children who can feel pain by prohibiting abortion at 20 weeks, a point by which the unborn child is capable of experiencing great pain when being killed by dismemberment or other late abortion methods.

Katie McGinty wrote an opinion piece in which she opposes changing Pennsylvania's legal limit for abortions from six months to five.

Dismemberment Abortion Ban Act

Pat Toomey supports the Dismemberment Abortion Ban Act, a bill to ban a common and brutal method of abortion in which the living unborn child is torn apart limb from limb.

Katie McGinty recently wrote an opinion piece in which she states her opposition to efforts in Pennsylvania to ban dismemberment abortions.

Government Funding for Abortion Providers

Pat Toomey voted for passage of a budget reconciliation bill (H.R. 3762) that would defund Planned Parenthood, the nation's largest abortion provider.

Katie McGinty pledged to fight to continue providing government funds to abortion providers.

Obamacare Health Care Law

Pat Toomey voted to repeal the Obamacare law. He is committed to reversing the abortion-expanding and rationing effects of that law.

Katie McGinty supports Obamacare, which provides government funding for insurance plans that pay for abortion on demand, and imposes rationing of lifesaving medical care.
